Cartridge Filter Housings

Product Data Sheet

Product Description

Designed specifically for beverage filtration, Gusmer's Code 7 T-Line style sanitary Cartridge Filter Housings are constructed with high quality, yet economical, food grade materials. All metal surfaces in contact with the product are 316L grade mechanically polished stainless steel and seals are EPDM or silicone.

Each housing comes with support legs and a sight glass assembly with pressure gauge and bleed valves. Available up to 24-round.
